Greetings from DG Sam,

Many thanks to my home club the Hampstead Lions for their ongoing support at our first cabinet meeting of the year. Special thanks to all the Lions from both districts for attending 44H’s first 2017-2018 cabinet meeting. Due to the great attendance we had a very productive meeting which resulted in good use of our time. Thanks to the Leadership Team and Zone Chairs for providing scratch tickets and Lion Berny for the basket for a very successful raffle that benefited the district. For my faux pas during the meeting, I was glad to pay a “fine” on such a fine day.

I attended a Lion Youth Service meeting, the board discussed ways to revitalize programs and ways to informing clubs on the BOD’s activities. It was a great meeting, please, invite a LYS board member to speak at your club.

MD 44 web site committee held a working meeting to formalize and schedule pilot hands on “E Club House Training” to assist clubs to establishing a new E Club House Web Sites or updating. LCI announced the Global Team structure for the Multiple District, District and Clubs. Importantly for Clubs, LCI has summarized the rolls, responsibilities and measures for current club officers. The Global Team information description will have been provided to club Presidents and Secretaries by the time you read this newsletter. This new approach will help club growth and improve their value to their community. Clubs need to create a Club BOD position for the LCIF Coordinator who’s roll it is to inform the club on LCIF activities and assist with Service projects.

The July Lions Magazine had a 4 page article on the Kingston Leos with adviser Doug Griffin (Zone 6 & District Leo Chair). LCI Leos focus changed from a service project to being a club to work with the sponsoring Lions club. Lions and Leos are encouraged to work “Side By Side” on fundraising and service projects. Please contact Doug as we are looking to establish several new Leo’s clubs.

Please note my E-Mail has changed to: dgsam44h@comcast.net
Please forward all club events to CST Paul and Christine at newsletter44h@outlook.com

Best wishes to all clubs to have a successful 2017 - 2018 Lions year as “WE WORK SIDE BY SIDE to SERVE”

Thoughts from  
First Vice District Governor  Jerry Vaccaro  

Time to reflect why we became a LION  

We are starting a new Lion year and we are all gearing up to make a difference to so many that need our help. Our District has Lion members that are ready to serve their communities through their individual projects and fundraisers to support those projects.  

Why do it? We all serve in harmony so that we all receive the magic words” Thank you”. These magic words gives us a smile and a true feeling that, as Lions, we did something for someone that needed help. What a great feeling!  

Now, as a Lion we are part of the Largest Service Organization in the world. So what has our LCIF (Lions Clubs International Foundation) done lately? As I'm writing this, we as Lions; who supports LCIF, LCIF just gave $100,000 to help the needs of many in Texas. We have fellow Lions volunteering under the partnership with IFRC (International Federation of Red Cross) to help those flooded victims, thanks to Hurricane Harvey, on the coast of Texas. History has shown us that LIONS will be their helping for many years.  

So let’s reflect, we as lions serve our community’s needs, serve within our District in many different ways and serve our country and world. Why wouldn’t we want to become a LION?  

Please pass the word and “JUST ASK” someone to join.  
1st VDG Jerry  

Thoughts from  
Second Vice District Governor  Steve Middlemiss  

Notes From the 2nd VDG  

What a great first Cabinet meeting. Great job DG Sam. It was informative and timely. All of our District officers have been installed and what a great team we have this year. I look forward to working with all of them.  

Secretaries please make an effort to attend this year’s Secretarial Training on September 16th. It will be held at Delta Dental in Concord. As a past Secretary I can attest that attending certainly made my job easier.  

Please keep an eye out for the upcoming Leadership/Membership Workshop. If you have questions regarding either of these topics I believe this workshop will be helpful. If you attended last year and believe it was informative please let others know so they will hopefully become interested in attending.  

I hope you have all been working on your Centennial Legacy Service projects. There are three levels of service. Level One is probably something most clubs are already doing but you need to be recognized for these activities.  

Thank you Clubs for all your efforts to help those in your communities. You are what makes it Great to be a Lion!!  

Please don’t hesitate to contact me with any questions you might have. To get in touch with me my cell phone is 603-566-7616 and email is cstmid-dlemiss@gmail.com.  

Don’t forget to JUST ASK!  

Yours in Lionism  
SVDG Steve Middlemiss
Thoughts from Cabinet Secretary-Treasurer Paul Gilberti

Fellow Lions,

In August, we had our first Cabinet meeting. It was very well attended and from what I have been told, the first time in a while that 100% of the leadership was present.

As of this writing, the initial ELLI deadline has just passed. As we might be able to send a second person out to ELLI, the second deadline of September 8th is rapidly approaching. Please get your application in as soon as possible.

We are looking for someone to assist in maintaining the District 44-H website. If you are interested, please contact me.

Back in July, I sent out the District Dues Billing to all clubs. A lot of you have paid. I am aware that a lot of the clubs do not meet over the summer, but unfortunately, the summer is coming to an end. So, this is just a friendly reminder to send in your club district dues if you have not done so already.

DG Sam and I will be attending a visitation to the Nashua Lions on September 18th and to the Meredith Lions on September 26th. Any clubs interested in scheduling a visit, please reach out to me via email as soon as possible as the District Governor’s calendar fills up very quickly.

Serving side by side,

CST Paul Gilberti  E: CSTPaul44H@comcast.net  H: 603-426-2025  C: 978-595-7536

Thoughts from Multiple Council Chair Christine Greenwood

Did you know…. September 8th is International Literacy Day !!

Literacy is the ability to read and write which is the foundation of education and social development. To date, LCI has recorded 184,000 projects, over 6.3 million service hours and over 17.5 million people have been served. Yet – we can always do more! Lions Clubs International is calling all Lions to step up and organize a service project that involves and educates the importance of reading to our children and address the specific needs of your own community.

The following are some project ideas that your club may incorporate into your annual events:

- Support your local public library
- Organize a book drive
- Perhaps donate a book for every preschool eye exam
- Serve as a volunteer reader at each eye exam clinic to help while children wait

Thank you for all that you do in your communities remember, the “Power of WE” is a mighty powerful statement!

We Serve!

Thoughts from
Global Membership Team Leader  Al Goldstein

Hello Lions,
Social media is a great way to get the word out that your club is looking for new members. You can do it through your own Facebook page or set one up for your club or post to your towns page. The secret is to get people to share your message. The more shares you get the further your message is going to go. This is a very strong tool. Many people still do not see the importance of social media. Think about the last time someone sent you a note in the snail mail just to say hello.

The last weekend in August my town celebrated the 250th anniversary of our becoming a town. We set up a Facebook page for the event and had over 5000 hits. Several years ago my Fire department started advertising an annual fund-raising event our attendance double because of it. Give it a try and see for yourself the power of social media. Invite people to a membership night at your club. Urge all of your friends to share it. You will be surprised. Feel free to friend me on Facebook. I look forward to adding you to my group.

Thoughts from
Global Leadership Team Leader  Dick Lemieux

The Lion year is upon us. At the club level, the new King Lion’s need to plan for the upcoming year. Budgets, projects and fund raisers will fill your calendar.

The easy thing to do is cut and paste from last year. As club leaders, you need to have a clear vision of what you want the club to be this year. Strong leaders can help drive membership, develop new service projects and ensure their their clubs are positioned for ongoing success.

A small number of attainable goals will help in this process.

And don’t forget to put the “fun” in your plans.
Thoughts from
Global Service Team Leader Marie Hall

Most people join Lions to provide service in their communities. Often, it is because of a specific service opportunity. I joined Lions in 2004 because I was interested in vision preservation and helping those that could not afford eye exams. You may want to have a discussion at your next meeting and ask your members why they became a Lion.

Next, take a look at your club’s service projects. Do all your members participate in at least several of them? If not, why not?

Lastly, consider performing a community needs assessment. Are there needs in your community that are not being met? Key people you may want to speak to are town managers and welfare officers, school nurses and church leaders. Maybe your club already has a project that with a little expansion could serve more people.

“Service to others is the rent you pay for your room here on earth.” - Mohammed Ali

Hunger Relief

Here is some data from the NH Food Bank:

In 2016 they distributed 12.7 million pounds of food to 400 non-profit food agencies in all corners of NH.

64% of the programs have had to go to monthly distributions because of low supplies.

79% of clients are food insecure.

71% are underemployed; making less than $20,000 annually.

Approximately 60% of clients have to choose between buying food or paying for rent, utilities, transportation and medical care.

80% purchase inexpensive and unhealthy foods.

What does your club do to help those in your community?

DEADLINE FOR SUBMISSION IS EXTENDED TO OCTOBER 1, 2017
Dear Lions Clubs of District 44H

In accordance with the By-Laws of Lions District 44-H New Hampshire Services to Mankind (aka Lions Camp Pride), four (4) new directors, to serve four (4) year terms, shall be elected.

Each Lions Club, in good standing of District 44-H, will present a written nomination for director to the corporation at least thirty (30) days prior to the annual meeting. Each nominee shall be a Lion in good standing. Their names shall appear on a ballot to be used during the district cabinet meeting and distributed to all Lions in good standing present to cast said vote.

The Camp Pride BOD is looking for individuals willing to commit, become involved, and work towards the success of the camp.

Candidates for election to Director must have their name submitted by their club secretary in a letter of intent to Lion Jeri Maynard, 104 Lowell Road, Hudson, NH 03051 by October 10, 2017. The election will take place during the November Cabinet Meeting at the Moultonborough Lions Clubhouse in Moultonborough, NH.

Respectfully,

JERI

ANNOUNCEMENT from Lions Club International & 44H

Lions Leadership Institutes offering: Emerging Lions Leadership Training

ELLI focus is on building valuable leadership skills of Lions members for leadership opportunities at the club level, including the position of club president.

Download the application form for more information at: leadership@lionsclubs.org/elli

Candidates must be Lions in good standing who have successfully served on a club committee and who have not yet attained the level of club president. Current charter club presidents are eligible.

Candidates must be willing to commit to all days of the institute.

Applications

Lions who meet the qualifications may apply to the Emerging Lions Leadership Institute. Applications will be available four months prior to the event. If you are interested in applying, please download the application from the list below or obtain a copy of the application from your Global Leadership Team District Coordinator. Because of the high number of applications received by the association, acceptance into the institute is not guaranteed.

Cost of the Institute

Lions Clubs International will provide meals and lodging according to the dates and schedule of the institute. Please note that a non-refundable participation fee of US$125.00 will be required to offset a portion of these costs for all institutes. This fee will be due no less than six weeks prior to the institute start date. Please do not send funds until you receive a letter of acceptance to the institute. Participants are also responsible to pay for their own transportation and related travel expenses to and from the institute site.

Also, a description of the curriculum is here:

The next Emerging Lions Leadership Institute for the Lions of United States and Canada will be offered in Denver, Colorado, USA on November 11-13, 2017.

District Info: Contact DG Sam for more Info 329-560 / dgsam44h@comcast.net

I am requesting ALL Club Presidents to announce this information ASAP and encourage individual lions to apply as the District would like to try to send 2 Lions to ELLI. (Sometimes a Club Helps)

The District will pay $300 towards travel expenses cost. LCI/LLI will provide the hotel, meals, snacks and material for this training. LCI only ask individuals to pay $125 to show commitment.

We need a response ASAP as the dead Line is August 28. BUT after a call to LLI and they said they would consider an applicant up to the end of September 2017. Need response ASAP
Residents of Mountain View, Golden View and Forest View Nursing Homes recently enjoyed dinner hosted by the Moultonborough Lions Club.

For many years the Moultonborough Lions Club has hosted an August cook out for residents of Mountain View, Golden View and Forest View Nursing Homes. This is a tradition that Lion members love because they get a chance to “Serve” and that’s their motto “We Serve.”

As the buses arrived, guests were greeted by the Lions and ushered to their seats. They were then offered a choice of a ‘drink’ along with some scrumptious appetizers including shrimp, Swedish meatballs, deviled eggs, cheese and crackers etc.

President Mark Cotrupi introduced each group and thanked them for coming out for a night of good food, fun and fellowship.

When dinner was ready, Lion members took orders from the guests and served them. The choice was hamburgers, hot dogs, potato salad, pasta salad etc. Of course no dinner is complete without dessert so when all were finished, ice cream sandwiches were passed out.

President Mark then introduced Lion Peter Allen, an accomplished musician, who led the group in a sing-a-long that brought smiles to all. Peter provided song sheets which encouraged everyone to join in the singing. The guests left with smiles on their faces. What more could you ask for? That’s what it is all about!

If you would like to find out more about Lionism please contact Joe and Pat Keegan at 253-9916.

Did you ever wonder what happens to the eyeglasses collected by the Lions?

At the 44H Cabinet Meeting in Windham, NH this Sunday, the Moultonborough Lions presented the **347 pairs of glasses** (285 regular and 62 sunglasses) they had collected since April at the various collection and drop-off spots in Moultonborough, Sandwich and Tuftonboro.

Now for the rest of the story.

These glasses will be delivered to the Hampton Lions Club where they will be sorted and packaged for shipping to Roanoke, VA where the Lions maintain a national recycling center. There, they are inspected, checked by machine for exact magnification and prescription, cleaned, and then sorted by prescription. Then they wait for a request from a doctor who has visited clinics in third world countries and who can match a pair of glasses through an exam to someone who has perhaps never before been able to see properly.

The glasses are then shipped to that individual. There are more requests at Roanoke than there are glasses to fill them. So what can you do to help?

When you have old pairs of eyeglasses that no longer fit your needs, please remember the Lions, remember the donation boxes and remember to pass this information on to your friends. You just may have a chance to change the life of an individual in a far-off place. i.e. Uganda, Philippines, Brazil, Egypt just about anywhere in the world.

Did you know that the Lions Club is a world-wide organization and has over 1.2 million members? Did you know that the Lions are always looking for new members who like to reach out to others?

Like us on Facebook. Check out our website at [http://moultonboroughlions.org](http://moultonboroughlions.org)

You will be able to see us in action and find out the things that we do. If you like what we do, please consider joining us! The towns we cover are Moultonborough, Center Harbor, Tuftonboro and Sandwich.

If you would like to find out more about Lionism contact Joe & Pat Keegan at 253-9916.

Remember our Motto is “We Serve.”

**Pediatric Cancer Program**

Reaching out to Pediatric Cancer patients is a new “program platform” be initiated by Lions International. The idea is for Lions Clubs and Districts to reach out to Pediatric Cancer Patients and their families to help make life a little easier.

I have identified two treatment centers in NH for Pediatric patients, Norris Cotton at Dartmouth and Dana Farber in Londonderry. I will be making contact with both facilities to establish a contact person for the district to assist us in reaching out. If your club is already working with these facilities, please let me know your contact person.

If your club is/has already helped or is helping a pediatric patient/family please share what you are doing, and be sure to include activities on your monthly report.

If anyone is interested in helping with this please contact me at mtremblay578@gmail.com

**THE DOGSIGHT PROJECT**

A Program of the New Hampshire Lions

Multiple District 44 – Health Services Board

And So It Begins!

The first cabinet meetings are behind us and the Lions Year is getting underway. Soon you will have many pleas for your Community dollars. The DogSight Project will be one of those looking to you for your help. Fidelco didn’t take a summer vacation from training and placing their fine guide dogs. They didn’t take a vacation from providing follow-up visits to current clients, or bereavement counseling for those who have lost their faithful guides. When you draw up your budgets for charitable donations, please include the DogSight Project!

Donations may be sent at any time to DSP Chair Linda Piekarski, 15 Edgewood Ave, Keene, NH 03431. Please make checks payable to LSHF with DSP on the memo line. The independence a guide dog brings to a blind person is priceless. Your contribution gives that gift many times over. Thank you!

Since 1972, Lions International has had a formal policy regarding the protection of our environment but back in 2014, anticipating our 100th year of service, the then International President, Joe Preston, announced a global initiative to serve 100 million people by July, 2018. He proposed four Centennial Service Challenges (CSC); one of which is “Protecting Our Environment”. This year, the “Worldwide Week of Service to Protect Our Planet” challenge will be held April 16-April 22, 2018. Although Lions Clubs usually implement environmental projects throughout the year, the clubs are encouraged to plan a special project for this week. Please SAVE these Dates...

My job as Environmental Chair is to motivate clubs to undertake environmental service projects such as recycling, environmental clean-ups, tree planting, etc. I would like to know when your club has something planned that fits those guidelines but I can only find that information out if your club secretary reports the activities on your monthly reports to the District Governor or you publicize your activities via club newsletters, club websites or other social medias- so don’t be afraid to “toot your own horns”.

**If your club participates in any of the brush removal and outside maintenance at Camp Pride, the District Governor has said this will count as an environmental project- now that is an easy way to get your credit!!**

On a very pleasant note, I am proud to announce that last year’s MD44 Environmental Poster winning photo, submitted by Fred Sommers from the Conway Area Lions, was selected to be featured during the month of September in the International Lions Club Wall Calendar, 2018. Lions International will be selling this calendar, published in all 11 official languages of our Lions Clubs, at the online Lions Store. Cost is $4.95 per calendar plus shipping. My suggestion is to take orders and submit your request as a group to save on postage.

Finally, information on our Environmental Photo Contest is not yet available as the guidelines for all international contests will be evaluated at the November International Directors’ meeting. I will keep you posted but I feel we will be moving into digital submissions- JUST KEEP ON SNAPPING!!!

PEACE POSTER CONTEST—School has begun and many club chairs are preparing to make a visit to introduce the Peace Poster contest (if not already done so) this year—“The Future of Peace” to the various schools and youth groups who will be participating in this contest.

Remember to keep what you NEED from the KIT. The ONLY parts of the KIT that should be given to the school or official group are the Contest Rules and Conditions (PPC-2) and the Participant Flyer (PPC-3). Separate from the KIT, are identification labels that have been made for your convenience and emailed to the participating clubs. If you did not receive these labels, you can find a copy of it in this newsletter. You can either print them out or give a copy to the schools to use and print out. There are two labels per sheet and the label should be filled out and applied to the bottom right hand BACKSIDE of the participants poster.

Please, please make sure you go over the rules of the contest so that there are no disqualifications. We are hoping to collect all participants posters as well as the winners poster. There is a sticker label in your KIT for the winning entry. This should be or will be used only at the time of judging the posters once you have selected the winner.

More information concerning this contest will be in next month’s newsletters. But, if you have any questions or concerns, please contact:

This month’s story is submitted by PCC Tom Geno:

We had a mother come to our screening booth at a recent event to thank us for screening children’s eyes in the local schools. She had taken her child to an ophthalmologist before school started and was found to have no problems. A few weeks later, a screening was done at her child’s school and the OKS screener equipment found the need to refer the child. The mother returned with the child to the ophthalmologist and showed him the referral sheet. He rechecked the child for that problem and found that there was indeed a problem. He apologized for missing it during the initial exam and all necessary corrections were taken. The mother stated, if not for the Lions, this problem would have gone unnoticed for a longer time.

Do you have a great tip or trick that you use when doing screenings? If so, please share it with everyone! Let me know so that we can add it to our “Tips” section.

Remember to send your event summary into the HSB representatives. 44H please send to Becky Brown at becky-brown@hotmail.com and for 44N we do not have an administrator at this time so you can send it to Sue Lindberg, sue-lindbergnh@gmail.com. If you would like to become the 44N administrator, please let me know.

Also, please send in your heartwarming stories so that we can share the good feelings! We want to have one for every month this year.

A HUGE THANK YOU to the Lions of District 44H! Last year you donated more than $20,000 to LCIF for the second straight year. More than 2/3 of our Clubs made donations. This year’s goal is 100% Club Participation and I know we can do it. As you prepare your budget got the year please include LCIF and together WE CAN Reach out and provide a greater level of humanitarian service than ever before.

We help Lions serve

LCIF helps Lions improve peoples’ lives around the world, from combating vision problems to responding to major catastrophes to providing valuable life skills to youth. Because LCIF helps Lions carry out large-scale projects through our grant programs, Lions increase their impact in their local and global communities and serve even more people in need around the world.

Our funds come from individuals

Donations from 1.4+ million Lions in 210 countries and geographic areas provide the vast majority of the revenue received by LCIF, making the Foundation a leading humanitarian organization. Lions know their donations matter and that funds entrusted to LCIF will support initiatives that impact communities and change lives.

We make an impact

LCIF and Lions reach millions of people and accomplish visible results. Some of our accomplishments include:

Preventing serious vision loss for more than 30 million people
Providing over 153.3 million treatments for river blindness
Engaging more than 13 million students and 600,000 educators in 90 countries in the youth development program Lions Quest
Building or expanding 615 eye hospitals/clinics/wards
Conducting more than 19 million vision screenings for children through Sight for Kids
Providing vision screening for more than 350,000 Special Olympics athletes from 85 countries through Opening Eyes

Our impact last year

In fiscal year 2015-2016, we had a great impact in lives around the world through 453 grants totaling more than US$45.2 million. Some of our accomplishments included:

500,000 people helped through US$9,480,060 in disaster related grants
3,994,860 people helped through US$13,874,392 in humanitarian grants
19 countries expanded Lions Quest through US$1,437,287 in Core 4 grants
US$7,965,350 in grants supported the vaccination of millions of children against measles and rubella
US$12,994,255 in SightFirst grants provided eye care services to more than 22 million people, improved 51 eye care facilities and trained 23,643 eye care professionals

Thank you.

CAMP PRIDE CALENDAR RAFFLE

Every year NH Lions Camp Pride has a Booster Calendar Raffle during the month of January. This is always a successful fundraiser but was even more so last year when local businesses and loyal Lion supporters sponsored a January date of their choosing. We are offering the sponsorships again this year and would welcome your support. Sponsors could be a local business or a supporter that would like to honor a loved one during the month of January; sponsors select the date(s) of their choice. Remember, the earlier you choose your date and submit your sponsorship check, the more choices you will have for your date selection. Sponsorship forms are available from any Camp Pride Director or by E-mailing a request for one to Lionjeri@comcast.net

Deadline for submission has been extended to OCTOBER 1, 2017. More information may be obtained from Lion Lillian Bellisle, Raffle Chair, at 603-889-0285
